National Association for Court Management

- Award of Merit – recognizing distinguished service and outstanding contributions to the profession of court administration 2013
-

Work Experience:

Clerk of Court 2001 - 2017

United States Bankruptcy Court for the District of New Mexico, Albuquerque, New Mexico

- Chief administrative officer -- accomplishments included: major upgrade of the court's electronic filing and records system (eliminating paper case files); national beta site for *pro se* electronic filing; implementation of enhanced and streamlined staff performance evaluation and recognition system; and design and construction of entire new court facilities. Performed duties of *Acting Clerk of Court, U.S. District Court for the District of New Mexico, 2004.*

Clerk of Court 1996 - 2001

United States District Court for the Eastern District of Virginia, Alexandria, Virginia

- Chief administrative officer -- accomplishments included: modernizing the court's budget and records management systems; managing three major courthouse development projects; developing comprehensive staff communications and training program; major upgrading of court's automation systems; designing and implementing a new staff performance-management system, including data-quality analysis function; and installing an automated jury management system. Hosted and presented information to delegations of judicial officers from twenty-six foreign countries.

Chief Deputy Clerk (1991-1996); Deputy-In-Charge (1989-1991) 1989 - 1996
United States District Court for the District of Arizona, Tucson, Arizona

- Primary assistant to the Clerk in overall administration of a large federal court. Had primary responsibility for budget, fiscal, and human resources management, while directly administering the Tucson Division. Accomplishments included: new budget planning, automated jury, and performance-management systems; space planning and construction projects; major revision of staff personnel manual; development of a comprehensive personal computer local area network; institution of new employee awards program and staff training plan; handling special disciplinary actions for the Clerk; and design and installation of video deposition systems.

Trial Court Administrator III 1984 - 1989
2nd Judicial District of Oregon (Lane County), Eugene, Oregon

- Administrator and Clerk of Court for both Circuit (general jurisdiction) and District (limited jurisdiction) Courts. Had authority for all administrative operations in these state-funded courts. Accomplishments included calendar reforms, records simplification, innovative jury management, extensive automated information systems, and a total reorganization of the courts' clerical offices, including facilities reconstruction.

Trial Court Administrator I 1982 - 1984
13th Judicial District of Oregon (Klamath-Lake Counties), Klamath Falls, Oregon

- Prior to promotion to the 2nd District was the original administrator in a similar position in the 13th District. Guided courts through the transition from county to state funding, including new personnel, budget accounting, and automated systems.

District Court Administrator 1979 - 1982
9th Judicial Administrative District of Wisconsin, Wausau, Wisconsin

- Was the first administrator in the position and responsible for managing the budget, assigning circuit judges to cases, managing stenographic reporters, giving assistance to local courts/elected clerks in all management areas, and maintaining liaison between the Wisconsin Supreme Court offices and the district.
